

# Tarkan, Bu Sarkilar Da Olmasa ( English )

I had a bit of money- and now its finished  
yesterday I had a job- today I don't  
I had a lover who took off on me  
what luck do I have (i don't have any luck)

I don't have any money left  
I have nothing to do  
I don't have a lover  
(emphasizes that he has nothing with everything)

if it weren't for these songs  
if the telephones didnt ring  
if my friends didnt call me  
who'd know what i'd do?  
(i wouldn't stay around for a minute)

i'm partially cloudy (overcast)  
but I still hold hope  
the world has fallen from my eyes  
this much pain is enough

i'm a sensitive man  
i'll be ruined  
it'll be a worry (pain) in me  
they all go one after another oooff...
