

Tarrus Riley, System Set

Ah so dem system set, to keep the family out there fighting
While the slave masters rejoicing, yet we all are one skin
Dem system set, to keep the family out there fighting
And the slave masters rejoicing, yet we all are one skin

Hey out in the streets, yute dem hustlin and ah look food fi eat.
And Babylon control dem thinkin, put one against another and ah sharp dem teeth.
It makes no sense, a fight for master were out and what leff?
Tell me who, how, what did profits, you? Ohhh

Dem system set, to keep the family out there fighting,
While the slave masters rejoicing, and we all are one skin.
Dem system set, to keep the family separated.
You plant seeds of war and hatred, yet we all are one skin.

In the race for a dollar, friends turn sour; even mama gainst dada.
And I heard that gun shot shower ova rice and flour; this week cant allow ah loan.
It makes no sense, a fight for food; Id rather wait till harvest
Tell me who, how, what did profits, you? Ohhh

Dem system set, to keep the family out there fighting,
While the slave masters rejoicing, yet we all are one skin.
Dem system set, but I can never make a brother a victim,
To keep the slave master rejoicing, yet we all are one skin. Ohhh
