

# Tata Young, I Believe In Love

I feel the heat around me  
I feel the beat surrounds me  
Could this be for real, I wonder  
No need for hesitation  
Its time for celebration  
Will this be the night Ive waited for

When angels fall in love  
Heaven knows, does it show, oh  
If this love, will last for eternity  
Set me on fire

(Chorus)  
I believe, I believe in love  
And like the stars above  
They shine, let it shine over me  
Set me free I believe in you  
And that our love is true  
Oh I believe, I believe

I see that people dancing  
Boys and girls romancing  
They want this to last forever

Cause underneath the moonlight  
Everything is alright  
We're reaching our hands up in the air

To where the souls alive  
Heaven knows, that it shows oh  
If this love, will last for eternity  
Set me on fire

(Chorus)

How could I doubt, what was meant to be  
Everything I needed was in front of me  
Your healing touch, will lift me up in the sky, so high

(Chorus)
