## Tatu, Don

You dont regret For your embraces Time will forget Phrases and faces No more saying words No more crying tears All that was before Is no longer here No more singing songs Silent lips are dry All that was before Slowly passing by No more saying words No more crying tears All that was before Is no longer here No more singing songs Just for you and I Silent nights are long Broken hearts are dry No turning back No cancellation Cats in the bag Trains at the station No more saying words No more crying tears All that was before Is no longer here No more singing songs Silent lips are dry All that was before Slowly passing by No more saying words No more crying tears All that was before Is no longer here No more singing songs Just for you and I Silent nights are long Broken hearts are dry
