

Taylor Hawkins & The Coattail Riders, Pitiful

Mother save me
They keep hanging around
Like clouds
Mother save me
'Cause I can't put it down
Not proud

Take this light offa me
'Cause I don't want you to see
Just how weak
I can be

Mother save me
I'm no good when I'm alone
Alone
Mother save me
Can't pay what I owe
And I stole

Take this light offa me
'Cause I don't want you to see
What this world has done to me

Take this light offa me
'Cause I don't want you to see
Just how weak I can be

Mother save me
There's no where left to hide
Except inside
Mother save me
'Cause this boy's lost his way
Again
