Taylor Swift, Bigger Than the Whole Sky

No words appear before me in the aftermath Salt streams out my eyes and into my ears Every single thing I touch becomes sick with sadness 'Cause it's all over now, all out to sea

Goodbye, goodbye, goodbye
You were bigger than the whole sky
You were more than just a short time
And I've got a lot to pine about
I've got a lot to live without
I'm never gonna meet
What could've been, would've been
What should've been, would've been you
What could've been, would've been you

Did some bird flap its wings over in Asia? Did some force take you because I didn't pray? Every single thing to come has turned into ashes 'Cause it's all over, it's not meant to be So I'll say words I don't believe

Goodbye, goodbye
You were bigger than the whole sky
You were more than just a short time
And I've got a lot to pine about
I've got a lot to live without
I'm never gonna meet
What could've been, would've been
What should've been you

What could've been, would've been you What could've been, would've been What should've been you What could've been, would've been you

Goodbye, goodbye You were bigger than the whole sky You were more than just a short time And I've got a lot to pine about I've got a lot to live without I'm never gonna meet What could've been, would've been What should've been you
