You can beat the heat If you beat the charges too They said I was a cheat I guess it must be true And my friends all smell like weed or little babies And this city reeks of driving myself crazy

And the hurricane with my name, when it came I got drunk and I dared it to wash me away Barricaded in the bathroom with a bottle of wine Well, me and my ghosts, we had a hell of a time Yes, I'm haunted, but I'm feeling just fine All my girls got their lace and their crimes And your cheating husband disappeared, well No one asks any questions here So I did my best to lay to rest All of the bodies that have ever been on my body And in my mind, they sink into the swamp Is that a bad thing to say in a song?

It's one hell of a drug It's one hell of a drug Love left me like this And I don't want to exist So take me to Florida
