

# Taylor Swift, Labyrinth

It only hurts this much right now  
Was what I was thinking the whole time  
Breathe in, breathe through, breathe deep, breathe out  
I'll be getting over you my whole life  
You know how scared I am of elevators  
Never trust it if it rises fast  
It can't last

Uh oh, I'm falling in love  
Oh no, I'm falling in love again  
Oh, I'm falling in love  
I thought the plane was going down  
How'd you turn it right around?

It only feels this raw right now  
Lost in the labyrinth of my mind  
Break up, break free, break through, break down  
You would break your back to make me break a smile  
You know how much I hate  
That everybody just expects me to bounce back  
Just like that

Uh oh, I'm falling in love  
Oh no, I'm falling in love again  
Oh, I'm falling in love  
I thought the plane was going down  
How'd you turn it right around?

Uh oh, I'm falling in love  
Oh no, I'm falling in love again  
Oh, I'm falling in love  
I thought the plane was going down  
How'd you turn it right around?

Uh oh, I'm falling in love (falling in love)  
Oh no, I'm falling in love again (falling in love again)  
Oh, I'm falling in love (falling in love)  
I thought the plane was going down  
How'd you turn it right around?

Uh oh, I'm falling in love (falling in love)  
Oh no, I'm falling in love again (falling in love again)  
Oh, I'm falling in love (falling in love)  
I thought the plane was going down  
How'd you turn it right around?

(You know how much I hate it)  
(You know how much I hate it)  
(You know how much I hate it)
