

Taylor Swift & Lisa Kudrow, Smelly Cat

What are they feeding you?
Smelly Cat, Smelly Cat
It's not your fault
They won't take you to the vet
You're obviously not their favorite pet
Smelly Cat, Smelly Cat,
It's not your fault
You may not be a bed of roses
You're not friend to those with noses
I'll miss you before we're done
Or the world will smell as one
Smelly Cat, Smelly Cat,
What are they feeding you?
Smelly Cat, Smelly Cat
It's not your fault
(Phoebe) Oh are we done?
One, two, what's that smell?
Smelly Cat, Smelly Cat,
What are they feeding you?
Smelly Cat, Smelly Cat
You're getting fat
I think that I'm gonna be sick
It's your ears, and nose and pick
Part of it, tempt me
One, two, what's that smell?
All the dogs in the neighborhood
Are saying this for your own good
What, you're fat, so you can't run
No fun, I bet, No fun
Smelly Cat, Smelly Cat,
Porno makes you eat like that
I saw you in the shopping mall
Smelly Cat, Smelly Cat,
It's not your fault,
Smelly Cat, Smelly Cat,
It's not your fault
Smelly Cat, Smelly Cat,
It's not your fault
We know what was in your food
They say it might affect your mood
You smell like something dead (3x)
One, two, what's that smell?
