

# Taylor Swift, Stay Beautiful

Cory's eyes are like a jungle  
He smiles, it's like the radio  
He whispers songs into my window  
In words nobody knows  
There's pretty girls on every corner  
That watch him as he's walking home  
Saying, does he know  
Will you ever know

You're beautiful  
Every little piece, love, don't you know  
You're really gonna be someone, ask anyone  
When you find everything you looked for  
I hope your life leads you back to my door  
Oh but if it don't, stay beautiful

Cory finds another way to be  
The highlight of my day  
I'm taking pictures in my mind  
So I can save them for a rainy day  
It's hard to make conversation  
When he's taking my breath away  
I should say, hey by the way...

You're beautiful  
Every little piece, love, don't you know  
You're really gonna be someone, ask anyone  
When you find everything you looked for  
I hope your life leads you back to my door  
Oh but if it don't, stay beautiful

If you and I are a story  
That never gets told  
If what you are is a daydream  
I'll never get to hold, at least you'll know

You're beautiful  
Every little piece, love, don't you know  
You're really gonna be someone, ask anyone  
When you find everything you looked for  
I hope your life leads you back to my front door  
Oh but if it don't, stay beautiful
