

# TC Matic, If You Wanna Dance, Dance, If You Do

In the mood for love  
In the mood for  
In the mood for a slow  
In the mood for  
I wanna feel the difference  
In my scalp  
Free your mind  
And the rest will follow

If you wanna dance, dance, if you don't, don't  
If you wanna dance, dance, if you don't, don't

Girls are looking  
The boys are being  
It's just a beautiful night  
Just a perfect night  
A night for a smoke  
A night for a joke  
A night for a kiss  
On your lips, h

If you wanna dance, dance, if you don't, don't  
If you wanna dance, dance, if you don't, don't

Sweets for my sweet  
Sugar for my dog  
Shake your lips  
And close your eyes

If you wanna dance, dance, if you don't, don't  
If you wanna dance, dance, if you don't, don't
