

TC Matic, Who's That Girl

Paris in the year '44
The past was death
The future unimaginable
He was a man looking for a girl
She was a girl looking for a boy

Who's that girl? (Who's that girl?)
Who's that girl? (Who's that girl?)

Dressed in white and black
From foreground
To forehead herself
A refreshing surprise
A refreshing surprise

Who's that girl? (Who's that girl?)
Who's that girl? (Who's that girl?)

Hup hup Marie
Be nice to Charlie
Hup hup Charlie
Please make Marie happy
Too short to be long
Too long to be short

Who's that girl?
Who's that girl?
