[LL Cool J:]

You seem like a type

That wanna do a couple things

When I look in your eyes

I can tell you ready to swing

[Teairra Mari:]

Slow down baby

I'm waitin more than a fling

And I'm up on the game

That you own G-screen

[LL Cool J:]

Cryin logical attacks

Your talkin really breezy

Easy that's crap

[Teairra Mari:] You need to fall back

[LL Cool J:]

Now, see you talkin real ball

Your vibes is real cold

You better smarten up

Slide in the rolls

[Teairra Mari:]

I'm not the next chick

You can hit the exit

Everything you sayin

It's just what I expected

[LL Cool J:]

Parts are projected

Many more are you collected

Life is a movie

I'm just tryna direct

You know like I know

You do wanna stay connected

Hit you to the rules of the game

Shorty check it

[Chorus:]

[LL Cool J:] Chain on my neck

[Teairra Mari:] Preserve the sexy

[LL Cool J:] The 0's in the check

[Teairra Mari:] Preserve the sexy

[LL Cool J:] Crib and the whips

[Teairra Mari:] Preserve the sexy

[LL Cool J:] Cash, the chips

[Teairra Mari:] Preserve the sexy

[LL Cool J:] The honey on my arm

Don't get your draws out of joint  
I wanna see you smile  
Elevate your life style  
Cop a yacht

[Teairra Mari:]  
Not a chance  
[LL Cool J:]  
Keep your little advance  
This one's on me  
In the chef's a boar  
You can eat for free  
[Teairra Mari:]  
Slow down sweetie  
My waist is 24  
I'm far from greedy  
[LL Cool J:]  
You gonna love it believe me  
[Chorus]  
[LL Cool J:]  
Back sippin Venome S  
Spillin it all my leanin  
My baby's smooth leather  
It' softer than most women  
Everything is crist  
From my cuff to the trimmin  
Words can't describe  
All the gummers that I've been in  
[Teairra Mari:]  
I've been half caught in yes  
Which whips every day  
My lil jack Russell  
Knows how to hustle  
I stay with canary's on  
Platinum on every song  
Hate it or love it  
Them respect how I does it  
[LL Cool J:]  
Well I'm not them  
That's how I got gems  
Cost a quarter million Dollars  
For Don ? rims  
Understand me Slim  
That's how the game begin  
If he was me, then he do the same to him  
But L's the real deal

So tell me how you feel  
Tell me one of your secrets  
I keep my lips sealed  
[Teairra Mari:]  
That's for me to know  
And you to find out  
[LL Cool J:]  
Long as we both now  
What we talkin bout  
[Chorus]  
[LL Cool J:] What you wanna do  
[Teairra Mari:] Preserve the sexy  
[Till the end]
