And I'm up on the game

That you own G-screen

[Chorus]
[LL Cool J:]
Back sippin Venome S
Spillin it all my leanin
My baby's smooth leather
It' softer than most women
Everything is crist
From my cuff to the trimmin
Words can't describe
All the gummers that I've been in
[Teairra Mari:]
I've been half caught in yes
Which whips every day
My lil jack Russell
Knows how to hustle
I stay with canary's on
Platinum on every song
Hate it or love it
Them respect how I does it
[LL Cool J:]

Cost a quarter million Dollars
For Don ? rims
Understand me Slim
That's how the game begin
If he was me, then he do the same to him
But L's the real deal

So tell me how you feel
Tell me one of your secrets
I keep my lips sealed
[Teairra Mari:]
That's for me to know
And you to find out
[LL Cool J:]
Long as we both now
What we talkin bout
[Chorus]

[Teairra Mari:] Preserve the sexy
[Till the end]
