

Teapacks, Push The Button (Eurovision 2007)

The world is full of terror
If someone makes an error
He's gonna blow us up to biddy biddy kingdom come
There are some crazy rulers
They hide and try to fool us
With demonic, technologic willingness to harm
They're gonna push the button, push the button
Push the bu... push the bu... push the button
Push the button, push the button
Push the bu... push the bu... push the button
Il y a plein de souffrance
Dans la rue y'a trop d'violence
Et on a beaucoup de chance d'tre vivant, mme pas blesss
Avancement tactique de rgime fanatique
Situation tragique qui me met les larmes aux yeux
And I don't wanna die
I wanna see the flowers bloom
Don't wanna go kaput kaboom
And I don't wanna cry
I wanna have a lot of fun just sitting in the sun
But nevertheless
Mesarim mitpotzetzim alay
Tilim mit'ofefim vegam noflim alay
Shotrim veganavim mitrotzetzim alay
Vehem koftzim alay, mitkartzetzim alay
Alelay, alelay, ta'ane li, Elohay, hay
Hasiyut haze arokh miday
Kshe'ani bekoshi khay vekulam mekavnim elay
Ze mukdam lashir ulay shenatati la khayay

Ben raketa lemacheta, ben tzofo lekatav
Ben mekhtaf lenekhtaf, ben gashum lesharav
Haslama bamadregot ola vetofeset kav
Klum, klum, ze ma shekulam osim
Kitzonim maktzinim vektzinim martzinim
