

# Tears For Fears, Broken Revisited

(Lyrics playing backwards.)

(Patty cake...Patty cake...Patty cake...Patty cake...Patty-P-P-P-Wooooo hoo!)

Between the searching and the need to work it out  
I stop believing everything will be alright  
Broken...We are broken...  
I'm walking uphill being turned around and round  
Secret in motion when my feet are on the ground  
Broken...We are broken...

In my mind's eye  
(Patty cake...Patty cake...Patty cake...Patty cake...)  
One little boy anger one little man  
(Patty-P-P-P-Wooooo hoo!)  
Funny how time flies
