

# Tears For Fears, Raoul And The Kings Of Spain

When the seventh son of the seventh son  
Comes along and breaks the chain  
Raoul, Raoul, Raoul and the kings of Spain  
Making it plain, making it sane  
To turn this loss into a gain

Raoul, Raoul, Raoul and the kings of Spain  
Raoul, Raoul, Raoul and the kings of Spain

Did you know your father was an island  
Did you know your mother was the sea  
Can we ever hope to seek asylum  
From the bounds of fate and family

When the seventh son of the seventh son  
Comes along and breaks the chain  
Raoul, Raoul, Raoul and the kings of Spain  
Making it plain, making it sane  
To turn this loss into a gain

Raoul, Raoul, Raoul and the kings of Spain  
Raoul, Raoul, Raoul and the kings of Spain

Did you know all mothers come from heaven  
Did you know all fathers come from hell  
That is why they're at sixes and sevens  
That is why their marriage isn't well (not well)

When the seventh son of the seventh son  
Comes along and breaks the chain  
Raoul, Raoul, Raoul and the kings of Spain  
Making it plain, making it sane  
To turn this loss into a gain

Raoul, Raoul, Raoul and the kings of Spain  
Raoul, Raoul, Raoul and the kings of Spain
