

Tech N9ne, Absolute Power

(In Reverse)

I've traveled many roads and seen many things
in search of fortune and fame
All my dreams die no matter how hard I try
so nothing but unhappiness remains
So now I sit with this pen in my hand
itching to produce and perform
Waiting to rule with absolute power
I love these calm little moments before the storm

(Verse 1)

Ain't no way you bout to stop this sickness
From the deepest darkest part of Mizzery
Psycho alpha schizo get your check, she diggin' me
A-B-S-O-L-U-T-E P-O-W-E-R see me clownin'
Look at all you playa hatas frownin'
Raw, God said kill em all, Tech's back's to the wall
Fightin' for my life and Imma bust back 'til they fall
And I ain't even slangin' them thangs
I'm hollerin' ONE-EIGHT-SEVEN if you trippin' wit Strange
I'm really real wit it, like my homie AJ say deal wit it
Pushin' and pullin' fightin' for the mill ticket
In a minute Imma do it like a villian
Imma get 'em in the middle of a bomb
Put 'em on the spot
Till the funk go pop and if they never have other qualm
Tech Nizzle, when I'm dizzled this who be you
Rollin wit Dave, Trav, Violet Brown, and 3DQ, who be you
For those not knowin' that Mizzou be true
Imma tell you like the Swedish would say it, "Sou Mie Kuk"

(Hook)

Absolute Power! That's the only way to roll
Absolute Power! They love us everywhere we go
Absolute Power! Tecca Nina's bout to blow
Absolute Power! Absolute Power!
Absolute Power! That's the only way to roll
Absolute Power! They love us everywhere we go
Absolute Power! Tecca Nina's bout to blow
Absolute Power! Absolute Power!

(Verse 2)

Now I do HIP... HOP... and I mix it wit the HARD... ROCK...
Desing this rhyming for climbing
Tech N9ne he's unwinding the shining is blinding
Greedy so we constantly grinding
I been in the game 16 years makin' rap tunes
Raisin' hella havoc up in the classroom
Now in '02 you can watch me clownin' in diamonds shining
Watchin DVD's on the Hoshitoshi (It's all Jesus)
Now I keep the crowds pumpin' they jumpin'
Get back to the telly we rollin' and stickin' somethin'
Racin' to the main line
Absolute Power is havin' Halle Berry & Julia Lewis at the same time
Ohh!, thats how Strange niggas run
Listen to the villian wit a gun associated tongue
(We're close to the end) but not done
The Tech's just begin begun beginning to begin to have FUN
The curse is tryin' to put me in the hearse
But I will not tumble, first things first
Took a lot of shit and I can't take more
Fuck Jay Ferries and everybody down wit him and FUCK JCOR!

(Hook)

(Verse 3)

Thanks to Strange Music I'm comin'
And all my enemies they runnin'
Now all my hatas bummin' cuz I was summoned
We Kansas City playas and we bout sold game
We make it so Tecca Nina is a household name
How many points you got, I got 50
Heres a question to the Censorship Committee
Who's the biggest gang of niggas in the city?
My villians are gritty
Big Scoob, Tech, TWill, Bakari, rest in piece Sho Nitty
Growl wit the evil ways, power what the people say
Rebel yellin' we're felons and my pockets are swellin'
This beat's from Berlin, Germany
Throwin up Mizzizzy so ain't no other city concernin' me
I teach it and I speak very loosely
Stamina gunnin' got playa hatas runnin' profusely
Now I got the parents pissed and ready to noose me
Cuz they know that Absolute Power corrupts: ABSOLUTELY

(Hook) 2x
