

# Tech N9ne, Mitchell Bade (Interlude)

CHORUS 1:

Have you ever met a nigga who was pie sprung?  
Theres alot of slinky niggas where I come from  
Theres another missle catcher just like him  
His name is Mitchell Bade, Mitchell Bade

TECH N9NE:

What up mitch?  
Is it an everyday thang for you to act just like a bitch?  
How does it FEEL, to have a nigga that will KILL yah,  
for the foul shit you spit?  
Number one snitch  
A bitch with a dick  
I found the remedy for the enemy  
(What)?  
Bust at the nigga like shootin at the Kennedy's  
Cause Mitch Bade ain't really no friend of me!

BAKARII:

To be exact  
He's that nigga that talk, but he really can't back that shit that he talk  
So he gotta walk around with a gat  
But a nigga like me, I'll knock him out with the force of a hurricane  
The penalty for the path if you disrespect the game

TECH N9NE:

Now what goes on inside the mind of a nigga like this?  
The nigga pissed  
As I pumped off four rounds up in the trick he was with  
But It ain't my fault you a little ole' bitch  
(Without yo click)  
Nigga run with a quickness  
(Get away quick, but you bet not slip)  
Better of with a Bianca then be stuck  
(With a AK 47 on your lip)  
Right!

BAKARII:

Even if I'm lifted I can scope em' from a mile away  
Niggas fakin like intisapating they domes day

TECH N9NE:

Camouflagin but I can see you actin like a Bitch  
Which are the symptoms of a nigga named Mitch!

CHORUS 2:

Have you ever met a nigga who was pie sprung?  
There's alot of slinkin niggas where I come from  
There's another missle catcher just like him  
His name is Mitchell Bade (Mitch Bade) Mitchell Bade (Mitch Bade)  
If a Mitch is yo mix, you best's ta check one  
And get ret to go for milli, when the next one come  
If a nigga got a foot off in his rectum  
His name is Mitchell Bade (Mitch Bade) Mitchell Bade (Mitch Bade)

BAKARII:

(Late night I got a page from Bianca)  
She told me her man was trippen, so swoop her bout a block up  
So I um, got prepared, My conscience told me grab the gat  
But all I could think about, was hittin that kitty kat from the back  
All about that hustle, but tonight I gotta kick it  
Deep conversation, but it's her first time letting a nigga hit  
But I'm not alone, It seems this nigga was on the phone  
He heard the spot, the topic, whicked whicked, now it's on!

As I continue(continue) creepin(creepin) it's apparent  
That I'm dealin with a Mitch Bade, I guess that's why he keeps on stareing  
But I'm well equipped to handle a fleet, so nigga don't think I'm sleep  
We can talk like men or we can get grim, and handle this shit n'the streets  
Don't ever trust no coch  
Especially when, a nigga like me is rollin up your block  
Bitch Made nigga couldn't see that you was played  
So we just changed your name  
And Called you Mitch Bade (Mitch Bade)

## CHORUS 2

TECH N9NE:

Cruisin down the 'spect with five spliff's roll (roll)  
Passenger seat (seat), Sunday the Hoe Stroll  
Went to park with major loot  
Dippen up on bitches, but the jealous Mitch is ready to shoot, peep  
But it ain't complete, the day is foul without a big butt and smile  
I need a chick that's running wet like Fury of the Nile  
Bumped into, stepped into, this chick that's thick and photo genic  
In a minute, I'ma get up in it, with a jimmy to avoid that AIDS epedemic  
Get it, got it, good in the hood, shit's all good, so I knocked on wood  
Got to her crib, drank some crown, laid me down, showed me the goods  
Then, knock knock, "who's that?"  
She said her man and he might be strapped with a gat  
Put back on my shit, time to show this fool just where it's at  
Ret to get wet, she opened it up enough so I could see  
She cracked it a bit, but that nigga pushed her, then came after me  
Extended arm, and bodily harm  
He shoulda caught trigga, chiggas  
MITCH BADE, BITCH MADE NIGGAS!!
