

# Tech N9ne, S.H.E. (Seductive Human Erotica)

(Verse 1)

I aint never paid no chick to thrust  
Me, I never paid no woman to help me bust  
Me, I never needed no other chick to clutch  
Cuzz nina was living hella matrimony  
Its a must  
Never ever payed and came with lust  
My aims for trust  
Cuzz my womans pain is enough  
Dont want my marriage ending stranger then us  
But just here recently  
My brains corrupt  
One night my niggaz took me to the strip club  
Bazookas  
Everybody know the name of the kinda shit I'm use ta  
Seduca, so that means there was no clothes  
Got my eyes open wide  
Like I'm on No Doz  
Look at these bozos  
Givin double 0's for hoe shows  
I was cool  
I was drinkin my juice  
Wasnt really in the mood  
Till I was approached by a beautiful angel  
In the nude  
But I flipped my top  
When she sat that butter skin on my lap  
I was shocked  
Lips locked  
Feelin like my heart stopped  
She was hot!  
She was Carmen Electra in the chest  
Alliya by the waist  
Jennifer Lopez in the ass  
But she was an angle in the face  
She asked me if I wanted to dance on the couch  
With the look of a zombie  
I reached into my pouch  
And shelled it out  
Then she took my hand  
And led me to the land  
Where a man could forget about all his problems at  
hand  
The scent of a woman  
She wearing shenell, hypnotized by the smell  
A glimpse of hell and bodily melt down  
Is what I felt now  
I cam with 500  
Tryin to keep it all  
But she want it  
At the ATM to get 4 more  
Thats for you and me, now bitch lets go  
Hevenly cant describe this woman  
Beyond that, I feel the area bump and grind  
Like combat  
No penetration  
Its funny  
She didnt kiss me or fuck me  
But got away with all my money  
S.H.E.

(Chorus - repeat 4X)

Took everything that I had  
Made me want sex hella bad!

(Verse 2)

The next day my wifes checking the account  
She said your only bringing 4,000 a month  
So last night you spent 1,00 on what?  
A new piece of equipment  
For the studio  
But she wont ever really know  
That I spent it on another nude show  
I close my self in the bathroom  
Lean over the stool  
And grabbed my middle section tight  
Thinkin about the way she made me feel that night  
I had alot of fun  
Then I got one, and another one, and another one  
I went back that night, and the next night  
Repeated here I come  
Wife pissed cuzz I depleted all our funds  
She left me and moved back with her moms  
Im borrowing money from all my homies  
I know that I'm wrong  
But this bitch was the bomb  
Im paying the bills at bazookas  
I slip my finger through her g-sting  
It was tight  
She told the bouncers  
Now I'm in a fist fight  
You put on how you love me  
And how you like it rough like me  
All these motherfuckers and your man  
Cant love you enough like me  
I lost my life for you, my wife for you  
I miss you  
So I'm sitting outside the club every night for you  
Thats right for you, shit

(Chorus) - 6 times

(Seductive Human Erotica!) - 5x HAHAAAAHA
