

# Ted Newman, Plaything

(Plaything)  
Plaything, that's all I was to you  
(But now)  
But now your little game is through  
Playgirl (ah-ha)  
Stop knocking at my door (whaa-whaa-whaa)  
I'm not your plaything anymore (aaah)  
Your love (my love)  
Was only make believe  
Some tricks (some tricks)  
You carried up your sleeve  
I'm through (he's through)  
No need to walk the floor (whaa-whaa-whaa)  
I'm not your plaything anymore  
I gave my love  
My all to you  
Because I thought you loved me too  
I wanted your love  
Yes, all the way  
But no, not you (nooo)  
You wanted to play  
Playgirl (ah-ha)  
Your little plaything's gone  
Gone out (gone out)  
To learn a different song  
Bye now (bye now)  
I'll see you never more (aah)  
I'm not your plaything anymore  
[BRIDGE]  
[REPEAT ALL]  
(Bye now)
