

# Ted Nugent, Free-For-All

never before have I turned on you  
ya look too good to me  
your beady eyes nearly cut me into  
and I just can't let ya be  
well it's a free-for-all  
and I heard it said  
you can bet your life  
the stakes are high and so am I  
it's in the air toni-i-ight

I see you there with your  
cheshire grin I got my eyes on you  
ya shake your tail feathers in my face  
no tellin what i might do  
well looky here ya sweet young thing  
cause the magic's in my hands  
when in doubt i whip it out  
I got me a rock and roll band  
It's a free-for-all

ooh, baby  
ooh, I gotya  
aaaaaaa
