

Teen Idols, Peanut Butter Girl

When I need a meal to satisfy me
My baby's right on time
I don't need a graduate of home ec.
Because she does just fine

Creamy, crunchy, plain or smooth
White or wheat with jelly too
There's nothing I wouldn't do
For my peanut butter girl
She's my peanut butter girl

She don't know how to make an omelette
Or pancakes, steak or stew
All she knows are peanut butter sandwiches
With jelly cut in two

Cut in half without the crust
She's the object of my lust
I love her because
She's my peanut butter girl
