

Tegan & Sara, Dark Come Soon

Dark, you can't come soon enough for me.
Saved from one more day of misery.
Everything I love, get back from me now.
Everyone I love, I need you now.
Don't forget a million miles for me.
Safe, and another day can pass by me.
Everything I love, get back for me now.
Everyone I love, I need you now.
So what I lied, I lie to me too.
So what I lied, I lie to me too.
Hold out for the ones you know will love you.
Hide out from the ones you know will love you too.
You.
You too.
Right to the edge I'm barely there,
Slow to make my move; I'm almost there.
Everything I say, I say to me first.
Everything I do, I do to me first.
So what I lied, I lie to me too.
So what I lied, I lie to me too.
Hold out for the ones you know will love you.
Hide out from the ones you know will love you too.
You.
You too.
Dark you can't come soon enough for me.
