

Tegan & Sara, Don't Be Cruel

"what you don't know is that i love the way you make my heart tear up
and what you don't know is that i love the way you make my heart tear up
so come on come on come on come on
yeah come on come on come on come on
don't be so cruel
don't be so cruel
don't promise me anything
i've got everything that i need
what you don't know is that i love the way you make my heart tear up
and what you don't know is that i love the way you make my heart tear up
come on come on come on come on
yeah come on come on come on come on
don't be so cruel
don't be so cruel
don't promise me anything
i've got everything that i need
i need love in a good way
i'm feeling fine
gotta get away
i need love in a good way
i'm feeling fine
gotta get away
i need love in a good way
i'm feeling fine
gotta get away
i need love in a good way
i'm feeling fine
gotta get away
come on come on come on come on
yeah come on come on come on come on
don't be so cruel
don't be so cruel
don't promise me anything
i've got everything that i need
don't be cruel
don't be so cruel
don't promise me anything
i'm everything that i need"
