

# Tegan & Sara, Don't Find Another Love

Won't you tell me what you want from me  
Don't you know that I'd walk across the sea  
Just to be with you  
Just to see it through

You can find me on the extra night  
You could talk me off the ledge tonight  
If you wanted to  
Don't you want me to

Please don't find another love  
Please don't find another love  
Please don't find another love when I'm away  
Now our signals breaking up  
A satellite is not enough  
Please don't find another love when I'm away

I could promise you're the only one  
We could walk into the setting sun  
If you wanted to  
I'll follow you

Take a little and you turn away  
Such a wicked little game to play  
And I'm just a fool  
How could you be so cruel

Please don't find another love  
Please don't find another love  
Please don't find another love when I'm away  
Now our signals breaking up  
A satellite is not enough  
Please don't find another love when I'm away

I'm losing my senses  
I'm falling apart for us  
Now I'm defenseless  
I'm falling in endless love

So please don't find another love  
Please don't find another love  
Please don't find another love when I'm away  
Now our signals breaking up  
A satellite is not enough  
Please don't find another love when I'm away
