

# Tegan & Sara, Goodbye

Okay you found me out  
Beyond without a doubt  
Your lie is safe with me  
A friend I'm sure you are  
And on this day so far  
A fallen hundred see  
Hello. It's where I've been  
So goodbye goodbye goodbye goodbye  
Hello it's you and me  
So goodbye goodbye goodbye goodbye  
I'm in the army of  
Sellout, shut up, go home  
Make some money baby when you're dead and gone  
When you're dead, when you're dead, when your dead  
When you're dead... and gone  
Keep this between, between you and me  
Just don't whisper nothing's going on  
Between this and that  
I figure out at last  
I wish that more was going on  
Hello. It's where I've been  
So goodbye goodbye goodbye goodbye  
Hello. It's you and me  
So goodbye goodbye goodbye goodbye  
I'm in the army of  
Sellout, shut up, go home  
Make some money when you're dead and gone  
When you're dead, when you're dead, when your dead  
When you're dead... and gone  
I'm in the army of  
Sellout, shut up, go home  
Make some money when you're gone  
I'm in the army of  
Sellout, shut up, go home  
Make some money 'cause I'm gone  
She's singin' on her own  
On her own she sings  
She's got a place to sleep  
And she invites me in  
Nothing more and nothing less  
You love them all so leave the rest to me  
Oh, So goodbye goodbye goodbye goodbye  
Oh me  
Yeah, So goodbye goodbye goodbye goodbye  
I'm in the army of  
Sellout, shut up, go home  
Make some money baby when you're dead and gone  
When you're dead, when you're dead, when your dead  
When you're dead... and gone  
Okay, you found me out  
Beyond without a doubt  
Your lie is safe with  
Your lie is safe with me
