

# Tegan & Sara, I've Got You

I don't need company in the company of you  
I don't need love 'cause your love will do  
And I've got you, and you've got me  
And that's all we need

I don't need air, I don't need to breathe  
I don't need rest, I don't have time to sleep  
'cause I've got you, and you've got me  
And that's all we need

When I get up so do you  
When you get up I sleep right through  
And on the road I sleep alone  
And I can't wait until I'm home  
'cause I've got you, and you've got me  
I've got you, and you've got me  
And that's all we need
