

Tegan & Sara, When i get up

I don't need company
In the company of you
And I don't need love
'Cause your love will do
And I've got you
And you've got me
And that's all we need

I don't need air
I don't need to breathe
And I don't need rest
I don't have time to sleep
'Cause I've got you
And you've got me
And that's all we need

When I get up,
So do you
When you get up,
I sleep right through
And on the road,
I sleep alone
And I can't wait
Until I'm home

'Cause I've got you
And you've got me
Yeah, I've got you
And you've got me
And that's all we need
