

Tegomass, Miso Soup

Just another same old day
Picking up the same old food
The dinner from the shelf
I got used to eating alone
Just by myself
But something makes me feel kind of tired
Another package arrived with a note
Asking if everything's alright with me
Whenever I call you ask me if I am
Coming home for the New Year holiday
Miso soup, I feel your loving
Tender care, it's always nice and hot
I'm always a kid, I'll never be matured enough
Never ask for anything
You gave me all the love you had
All the love you gave me, Mom
Makes me want to see you again
Feel a little cold today
Nothing much better to do
Than just watch TV at home
I got used to being alone
Just by myself
But something makes me feel the loneliness
Still I see you in my, in my mind
With your head out the door, with the smile that's so Mom
I always wonder if you're doing fine
Maybe this is the year
The year that I should go home
Miso Soup, I still remember
It's in my heart, when things are going tough
So I'd never get lost
You will always hold my hand
Never ask for anything
You were always there for me
Makes me come back to your smile
I'll always be here for you
When you get tired of the life
'Cause life in the city is not everything
Come back home anytime
Miso soup, I feel loving
Tender care, it's always nice and hot
I'm always a kid, I'll never be matured enough
Never ask for anything
You gave me all the love you had
All the love you gave me, Mom
Makes me want to see you again
