

Television, In World

(Verlaine)

I could just sort of not be there
Know what I mean? Not be anywhere
Wa-hoo
Wa-hoo

Crawl out a cage jump through a hoop,
Oh my gosh I'm living in a loop
Wa-hoo
Wa-hoo
Empty on my bed
head In my world, come and go
What I want I just don't know
In my world.

Sipping mint juleps out on the porch
for you my darling I'll always hold a torch
Wa-hoo
Wa-hoo

Funny face on my cup
Watch my bubbling up
In my world, come and go
What I want I just don't know
In my world, come and go
Seal my fate, ask my soul
In my world.

Such infatuation so great
I could just go jump in the lake
Wa-hoo
Wa-hoo

In my world, come and go
What I want I just don't know
In my world, come and go
Seal my fate, ask my soul
In my world, come and go
What I want I just don't know
In my world.
