

Television Personalities, Mysterious Ways

I believe in what I see
You believe what you want to believe
But you're the one who's got more need
So don't bother lighting a candle for me

Faith in something
Faith in something

You'll find yourself, if you have faith
You'll see the error of your way

Faith in something bigger they say

In an empty room I cried alone
With a bottle of wine and a handful of pills
I was too scared to call for you
I was afraid you wouldn't hear

Faith in something
Faith in something

Well I'm so ashamed I laughed at you
But you reached out to hold my hand
Communication is the key
Candle burn brightly for me
A bomb's gone off at the BBC
The headlines say at half past three
But no one's claimed responsibility
For the 22 bodies in the mortuary
God acts in mysterious ways
God acts in mysterious ways
God acts in mysterious ways
God acts in mysterious ways
