

Television Personalities, Psychedelic Holiday

It's yours to take
It's all for free
It's yours to take
It's all for free
It's yours to take

Would you like to come with me
On a psychedelic holiday?
And I'll show you things you've never seen
They'll really take your breath away
It's all for free
It's all for free
It's yours to take
It's all for free
It's yours to take
It's all for free

And we can sink beneath the golden sea
And watch the waves turn into trees
And the dolphin sings a pretty tune
And he sings for you, he sings for me
It's yours to take
It's all for free
It's yours to take
It's yours to take

And if I held your hand
Then would you understand?
If i held your hand
Would you understand?

I'll be your friend

I'll be your friend
And that's all I need
It's yours to take
It's all for free
And you can come with me

And we can chase and catch
A falling star
And take it home to
Mum in a jar

And if you've seen
Half the things I've seen
You still ain't seen
Half as much as me
