

# Television Personalities, Scream Quietly

Love's a thousand things  
Everyone a precious thing  
Love's a thousand dreams  
Everyone a mystery

Someone stole her dream today  
She'd saved it for a rainy day  
Scream quietly, or the neighbours will hear

Now he's gone away  
Haven't heard her cry for days  
Then the ambulance came  
Heard it on the news today

Someone stole her dream today  
She'd saved it for a rainy day  
Scream quietly, or the neighbours will hear
