

# Tellers, This World

I won't go out to have some fun,  
Cause kids are dying in central station.  
Is the world spinning a bit slower,  
Or am I again on pain killers?

Is the world the same  
Everywhere there I go?  
Is the world the same  
Everywhere there I go?  
Oh tell me no, tell me no.

I'll never get my way,  
Cause a guy put a bomb in my daily subway.  
I'll never meet you in my backyard,  
Cause you pushed the needle a bit too far.

Is the world the same  
Everywhere there I go?  
Is the world the same  
Everywhere there I go?  
Oh tell me no, tell me no.

I'll never get my way,  
Cause a guy put a bomb in my daily subway.  
I'll never meet you in my backyard,  
Cause you pushed the needle a bit too far.
