

# Temposhark, Don't Mess With Me

How it all began, if truth be told  
Had a master plan; now I rule the world

Took them by surprise, worked my way uphill  
They looked into my eyes; I became invincible

No one can stop me, for only I am in control  
If you want me you'd better contact my people

In my crown I am king  
I love their endless worshipping  
I am raw, a dinosaur, but I will never be extinct

So don't mess with me; I'll shoot you down  
Don't mess with me

Show me sex appeal, get on your hands and knees  
Forget about the the meal, it's best to keep me pleased

Imagine if you will, our meat on the block  
I've got time to kill, so how about a quick fuck?

I've come, it's been fun  
But won't you please disappear?  
Something tells me that you can't further my career

In my crown I am king  
I love their endless worshipping  
I am raw, a dinosaur  
But I will never be extinct

So don't mess with me  
I'll shoot you down  
Don't mess with me

'Cause all your heads are gonna roll  
I've made your misery my goal  
So if you want survival, kneel on my arrival

This is how I rule the world

No one can stop me, for only I am in control  
And if you want me you'd better contact my people

See my crown? I am king.  
I love the endless worshipping  
I am raw, a dinosaur, but I will never be extinct

So don't mess with me; I'll shoot you down  
Don't mess with me; I'll knock you down  
Don't mess with me; I'll shoot you down  
Don't mess with me
