

# Ten Shekel Shirt, Safest Place

Small car, long drive  
We're learning things about life that we've  
never told ourselves  
Your honesty surprises me and says  
Stay awhile I'm on your side

I'll stay awhile

After all this time you still believe in me  
And the real me is finally free cause  
with you I know I'm safe

At the end of a couch, a glass in my hand  
My ears they are listening to my friends  
And the same, same lights color me and say  
Stay awhile and enjoy yourself

I'll stay awhile

After all this time you still believe in me  
And the real me is finally free cause  
with you I know I'm safe  
With You I feel like I'm in  
the safest place in the world
