

Ten Shekel Shirt, Safest Place

Small car, long drive
We're learning things about life that we've
never told ourselves
Your honesty surprises me and says
Stay awhile I'm on your side

I'll stay awhile

After all this time you still believe in me
And the real me is finally free cause
with you I know I'm safe

At the end of a couch, a glass in my hand
My ears they are listening to my friends
And the same, same lights color me and say
Stay awhile and enjoy yourself

I'll stay awhile

After all this time you still believe in me
And the real me is finally free cause
with you I know I'm safe
With You I feel like I'm in
the safest place in the world
