

# Ten Years After, Don't Want You Woman

(Alvin Lee)

Don't want you woman, please stay away from me  
Don't want you woman, please stay away from me  
Well the one I got she is, sure good enough for me

Don't call me baby, I don't think it's kind  
Don't call me baby, I don't think it's kind  
Well, I got another woman - don't intend to leave her behind

Don't call me baby, call me on the phone  
Don't call me baby, call me on the phone  
If you wanna be kind to me girl, kindly leave me alone

Don't come on up to me baby, when you see me walkin' down the town  
Don't come on up to me baby, when you see me walkin' down town  
Don't wanna be unkind girl, but  
You ain't the kind of woman I want around - Hey right!

Don't want you woman, please stay away from me  
Don't want you woman, please stay away from me  
Well the one I got she is, sure good enough for me
