

# Ten Years After, Feel It For Me

(Alvin Lee)

I'm gonna tell you about it my baby, I'll give you all that I can  
I wanna prove it to you girl, I'm really - I'm a man  
I'll hold you so close girl, you'll feel the heat from me  
I'm gonna - love you, I'm gonna - hold you  
Oh baby, feel it for me

I want you to feel babe, what it's like to be loved  
I want you to come with a me, not feel like you're being shoved  
I want you to come to me girl, put yourself in my hands  
I'm gonna - love you, I'm gonna - hold you  
Oh baby, feel it for me - alright!

If you really want me, don't be afraid to say  
If you need my love girl, you can have it every day  
If you feel for me girl, I can feel for you  
I'm gonna - love you, I'm gonna hold - really hold you!
