

# Tenacious D, Break In-City (Storm The Gate!)

The mission is clear,  
I'm going over there  
I'm going to do the mission

I flip around the corner,  
flat as a pancake  
And then i- aww noo! A camera

Stay back here,  
Devise a plan  
Dive into the bushes

Against all odds  
Infiltrate,  
storm the gates!  
storm the gates!

Ninja style,  
Samuri (Storm the gates!)  
Metal pole,  
Climb that shit (Storm the gates)  
Climb into that mother-fucker  
Now I'm climbin up,  
up on the roof  
I got cat-like reflexes

Against all odds  
Infiltrate,  
Oh! storm the gates!

Two air vents on the roof,  
That's what the guy was talkin a- Shit!

Electric Eye  
Infiltrate,  
storm the gates!  
storm the gates!  
storm the gates!  
(Ahhhh)
