

# Tenpole Tudor, Wunderbar

eins zwei deux trois!

There is unemployment misery despair  
Really want to leave my trouble I'm going to the fair  
Love is getting rough oh yes i know  
Excuse me but I've got to go

There is a word in German and I think it says it all

You run the risk of being a bore  
Tell me all about that nuclear war  
I don't wanna sing to the fuhrer  
God knows!

There is a word in German and I think it says it all
