

Terra Naomi, Say It's Possible

I see the lights are turning
And i look outside the stars are burning
Through this changing time
It could have been anything we want
Its fine salvation was just a passing thought.

Dont wait act now
This amazing offer wont last long
Its only a chance to pave the path were on
I know there are more exciting things to talk about
And in time well sort it out

And though they say its possible to me
I dont see how its probable
I see the course were on
Spinning farther from what i know
Ill hold on
Tell me that you wont let go
Tell me that you wont let go

And truth is such a funny thing
With all these people
Keep on telling me
They know whats best
And what to be frightened of
And all the rest are wrong
They know nothing about us

And though they say its possible to me
I dont see how its probable
I see the course were on
Spinning farther from what i know
Ill hold on
Tell me that you wont let go
Tell me that you wont let go

Im not alright

This could be something beautiful
Combine our love into something wonderful
But times are tough i know
And the pull of what we cant give up takes hold
