

Terri Clark, Three Mississippi

(Verse 1)

I used to believe that things would change but here we go again,
Riding and spinning carousale this circle never ends,
This kitchen table has seen it all before,
These walls are tired of standing...Cant hold us anymore

****Chorus****

One Mississippi I close my eyes
Two Mississippi Im beggin' you and we can still survive
Three Mississippi Now Im looking back,
Gone for good and i know that,
I wont Change my mind...OoOh WooOa yea,
Three Mississippi is where I am tonight

(Verse 2)

We're all out of second chances and all out of one more times.
Theres not a word we havent said nothing we have not tried.
My bones are aching from the weight im holding down,
I took all that im taking,
Im breaking....breaking down.

****Chorus****

One Mississippi I close my eyes,
Two Mississippi Im beggin' you and we can still survive,
Three Mississippi Now Im looking back,
Gone for good and i know that,
I wont Change my mind...OoOh WooOa yea,
Three Mississippi is where I am tonight

(Bridge)

Hold My breath, Close My Eyes...

...Goodbye...

WooOOOo WoOooOO

****Chorus****

One Mississippi I close my eyes
Two Mississippi Im beggin' you and we can still survive
Three Mississippi Now Im looking back,
Gone for good and i know that
I wont Change my mind...No I Wont Change My Mind,
Three Mississippi is where I am tonight
Three Mississippi
