

# Terror, Out Of My Face

F\*\*\* Everything and everybody,  
Hypocrites and all the fakes,  
Leaches and the followers,  
Best to stay out of my way,  
Out of my face,  
Out of my way,  
So many times you crossed my path,  
With clenched fists I made my way,  
Force fed so many lies,  
You can't get ahold of me

Out of my face, out of my way,  
F\*\*\* everything you believe,  
F\*\*\* what you say

So many rats in my face,  
You wont get the best of me,  
So many traps set in my way,  
You could never break me
