

# Terror, You Can't Break Me

Trapped in aggression with vacant stares  
All I am turns to emptiness  
For myself and the ones I love  
All we can do is run  
This void keeps calling me  
Life's aim brought me to knees  
At times survival cuts so deep  
Still I won't face defeat

You can't break me  
I won't be beat

Smash myself to see if I can still feel  
Pain's the only thing that's ever been real  
I'm caught in it and I'm sinking fast  
But I know that I will last

Forced down, my back against the wall  
Try to break me, I'll answer the call
