

Terrorvision, Some People Say

Some people say that what I know should be kept secret,
Some people say I don't know anything at all,
Some people say that what I do could be dangerous,
Some people say I don't do anything at all.

Some people say this is a song that needs the drums in,
Some people say no it's a song for the bass,
Some people say that they can't stand what they're hearing,
Some people say who gives a damn what they say.

Do you think I care, do you think I care,
Do you think I know or I'm aware,
Do you think I care what you say when I'm oblivious.

Some people say that I look just like my father,
Some people say I've got my mother's eyes,
Some people say I'm like my brother 'cos I'm honest and truthful,
Some people say they know my brother's just another lie.

Do you think I care, do you think I care,
Do you think I know or I'm aware,
Do you think I care what you say when I'm oblivious.

Some people say that we should let the search continue,
Some people say just what the hell's going on.

Do you think I care, do you think I care,
Do you think I know or I'm aware,
Do you think I care what you say when I'm oblivious.
