

Tesla, Had Enough

Me and the boys are gonna rock tonite.
Drinkin' double shots, feelin fine. Mmmm, I like it!
I like the way, the way it makes me feel.
Now, I'm in love witcha, Lady Mary Jane.
You put my mind at ease, make me feel no pain.
Keep takin' me, keep takin' me higher, well, and higher.
Light my fire!

Ain't it funny?
'Cause the more I drink, the more I smoke, well, the better she looks.
And, honey, that's a whole lot better, whole lot better than before.
Lord! 'Cause you look so good. Yes, you look so fine.
Let's steal away and blow each other's minds.
Come on, baby. Keep takin' me higher. Yeah, yeah, yeah, and higher!

[Chorus:]

I've had enough!
Ah, maybe too, too much.
And with a little luck,
You know I'll get back up
On my feet again.

Ah, too much!

Too much to drink, too much to smoke.
I wasn't lookin' when it took a hold on me.
And it sure got a hold on me.
Oh, and it won't let go. Oh no.
I've never been this far before.
Have I reached the point, the point of no return?
When will I learn?

[Chorus 2x]

I've had enough!
I've had enough!
Ah, maybe too, too much.
I've had enough!
