

Testament, Alone In The Dark

When I was but very young
sorcerers came the claim my mind
leaving death and hatred to
unmask
the master of the game had won
and let his final sin be know
killing those who stand in his
path

Alone In The Dark
where the demons are torturing
me
the dark passages of revenge is
all that I see

Armies of witches
are called in from north
murders of elders occur
the high priest of evil
has lowered his iron fist
thousands of people will die

The slaughter of the innocent
the house is burning
that lights the sky
my nightmare has begun to
unfold
the hissing of the cobras tongue
sound and feel of ripping flesh
fall two thousand feet from the
sky

My terror has controlled my life
and
let my only weakness know
I got the rid this hell from my
head
I fight off evil sorcerers
rid my mind of his torture and
meet the falling angel in his
realm

Alone In The Dark
where the demons are torturing
me
the dark passages of revenge is
all that I see

Faustus prepares the legions of
the night
diviners from the far north
arrive
aimlessly people there huddled
in a pack
wreaking deadly havoc on
mankind

I fall in my deepest sleep
to meet the evil asteroth
his title is the grand duke
hell
I fight until the end is near
to rid my mind of hopes and fears
my destination lies in my dreams

Set Me Free

When I was but very young
sorcerers came to claim my mind
leaving death and hatred to
unmask
the master of the game had won
and let his final sin be known
killing those who stand in his
path

Alone In The Dark
where the demons are torturing
me
the dark passages of revenge is
all that I see

has lowered his iron fist
thousands of people will die
