

Texas, All In Vain

I can see all your tears now
You can't hide
It's a one-way stream
Was it true?
It's you that I'm asking
Well, you can run and hide
I can see what you need

Was it all in vain?
I didn't mean to hurt you
It's always me you blame for failing you

I know you're here
Hear what I'm asking
Won't you try to turn around and leave
Can't you see?
It's not me who's changing
Well go on, now's the time
To say how you feel

Was it all in vain?
I didn't mean to hurt you
It's always me you blame for failing you
(repeat 4 times)
